

## STEPHANIA N. CHLOUVERAKI, BSc, PhD

*Conservator of Archaeological Material/Conservation Scientist*

### CURRICULUM VITAE

Name : Chlouveraki N. Stephania

Address: **Technological Educational Institution of Athens** [www.teiath.gr](http://www.teiath.gr)

Nationality: Hellenic

Ag. Spiridonos, 12210, Greece

Born: 24/3/1968

Tel: 0030 2105385417

Tel: 0030 210 7515616

E-mail: [schlouveraki@gmail.com](mailto:schlouveraki@gmail.com),  
[schlouve@teiath.gr](mailto:schlouve@teiath.gr)

**Honours**: Vice President of the International Committee for the Conservation of Mosaics (ICCM) since 2014.

Deputy – Chairperson of the Hellenic Society for Near Eastern Studies (HSNES) since 2012.

Co-ordinator of the J.M Kaplan Fund- INSTAP Site Conservation Grant Program in Greece, 2014-2015.

Consultant of the Global Heritage Fund for the Greek Heritage Program, 2017-2019

### **Education**

1996 - 2004 PhD, University College London, Institute of Archaeology, Dept of Conservation and Museum Studies. PhD Dissertation: “Gypsum in Minoan Architecture: Exploitation, Utilisation and Weathering of a Prestige Stone”.

Nov 1998: Course on the Laser Technology in Art Conservation, European Union DG X Raphael Program, Galouste Gulbenkian Foundation, Portugal

1986 - 1993: BSc, Athens College of Technology (TEI), Department of Conservation of Antiquities and Works of Art.

### **Conservation Projects**

2019 ***Excavations at Keros – Daskalio, British School of Archaeology***, developed a proposal for the conservation and protection of the architectural remains (approved by the Central Archaeological Council in 2019).

2018-2019 ***Restoration-Conservation of Panagia Emporioy, Kasos***, developed a proposal for the conservation and protection of the mosaics (submitted to the Ministry of Culture for approval).

2016-2018 ***Byzantine Museum of Cyprus Archbishop Makarios III***, Consultant for conservation of the repatriated mosaics of Panagia Kanakaria in Lythragomi.

- 2016-2018 **Global Heritage Fund**, Co-ordinator of the Site Conservation Programs in Greece ( Ayios Vasileios in Sparta, Pseira, East Crete)
- 2015-today **Ecumenical Patriarchate of Constantinople**, Study and Conservation of the Emblematic mosaic icon of Panagia Pammakaristos, a program funded by the **E. Laskaridis Foundation**.
- 2014-2019 **European Center for Byzantine and Post Byzantine Monuments-Greece (EKBMM)**  
Conservation study: 'Conservation and Presentation of the Mosaic Map of Madaba in Jordan' (2015)  
Coordinator of the mosaic conservation/training program of EKBMM at the World Heritage Site of Um Al Rasas in Jordan (2014-2017).
- 2014 **Ancient Theatre of Karthaia, ESPA Program**, Conservation study for the conservation of the remains of the ancient theatre of Karthaia in collaboration with M. Roggenbucke
- 2013-2016 **INSTAP- J.M. Kaplan- Site Conservation Program**, Designed and coordinated the program "Developing Strategies for the Conservation of Prehistoric Sites with Earth and Rubble Architecture" funded by the J. M. Kaplan Fund and INSTAP with case studies at Mochlos, Gaidourofas and the Mycenaean Palace of Ayios Vasileios in Sparta.
- 2013 **Geometric Site of Zagora, Australian Archaeological Institute of Athens**, proposal for the 'Conservation of the Architectural Remains of the Geometric Site of Zagora', approved by the Central Archaeological Council in May 2014.
- 2011 **Minoan Site of Tylisos, Archaeological Ephorate of Heraklion, ESPA Program**  
Participated in the study and development of conservation/restoration mortars the site conservation program of Tylissos in collaboration with Dr. E. Toumbak (approved by the Central Archaeological Council in 2012).
- 2010 **Minoan Site of Myrtos – Fournou Koryfi, Archaeological Ephorate of Lasithi**  
Developed a proposal for the conservation of the architectural remains of the Egean Minoan Site of Myrtos - Fournou Koryfi in collaboration with Dr. E. Toumbakari and Tsangaraki, (approved by the Central Archaeological Council in 2011).

### Training Programs

- 2015-2016 Received **2 grants** from the **J. M. Kaplan Fund** to design and implement the following programs:
- "Evaluation, Documentation and conservation of earth/rubble architecture". Partners: Architectural Conservation Lab of **TEI of Athens**, **INSTAP Study Center for East Crete** and the **Archaeological Ephorate of Lasithi**.
  - "Conservation and Maintenance of Mosaics in Situ", at the Late Roman Mosaics

of the National Gardens of Athens and a Open Two-Day workshop with international renown guest speakers. Partners: **TEI of Athens, Directorate for the Conservation of Ancient and Modern Monuments-YPPO** and the **Archaeological Ephorate of Athens-YPPO**.

201-6-2017 Received **2 grants** from the **Global Heritage Fund** to design and implement the following programs: "Documentation and Conservation of Prehistoric Architecture" Partners: **TEI of Athens**, the Architectural Conservation Laboratory of the **University of Pennsylvania**, the **INSTAP Study Center for East Crete** and the **Archaeological Ephorate of Lasithi**.

### Professional Employment

2014-present **TEI of Athens, Dept of Conservation of Antiquities and Works of Art, Ministry of Education**, Greece, - Member of Faculty, Lecturer in Architectural Conservation, Specializing in the Conservation of Mosaics and Masonry

2014-present **INSTAP Study Centre for East Crete**, Greece – Site Conservation Specialist, in charge of the architectural conservation projects at the archaeological sites of Mochlos, Gournia, Azorias, Pseira, Chryssi, Papadiokambos, Gaidourofas, Halasmenos on Crete and the newly excavated Mycenaean Palace of Ayios Vasileios in Sparta.

2014-2015 **Australian Archaeological Institute of Athens, Geometric Site of Zagora**  
Head of the site conservation program of Zagora, Andros

1997- 2014 **INSTAP Study Centre for East Crete**, Greece - Head of Conservation, W. D. E. Coulson Laboratory.

-in charge of the documentation, conservation, storage, and maintenance of archaeological material. In charge of site/building conservation and Laser Spectroscopy (LIBS). Supervising interns from undergraduate and graduate conservation programs (Dept. of Conservation of Archaeological Material and Works of Art, TEI of Athens, the Institute of Archaeology, U.C.L., London, UCLA/Getty MA Program and other international institutions).

Lead a research program on the development of earth-based mortars for the consolidation of prehistoric sites in collaboration with Dr. Eleni Toumpakari, Ministry of Culture Department of Restoration of Ancient Monuments.

2006-2014 **TEI of Athens, Dept of Conservation of Antiquities and Works of Art**, Visiting Lecturer specialising on architectural conservation and conservation of mosaics.

2006 **University of Damascus, Syria** - Visiting Lecturer, lecture series on the Conservation of Mosaics.

2008 **Ministry of Culture, Greece**, Consultant in Mosaic Conservation Projects.

Undertook a survey of the Mosaics of the **Archaeological Museum of Algiers** on behalf of the Greek Government and submitted a proposal for their conservation and presentation

2004 -2011 **Dept. of Archaeology, Ministry of Culture, Damascus, Syria** – Designed and supervised a Training Program of the European Centre for Byzantine and Post Byzantine Monuments on the Conservation of Mosaics in Syria.

-Surveyed the storerooms and laboratories of various museums of Syria including the Archaeological Museum and the Citadel of Damascus in 2004, and the museums of Hama and Sweida.

- Contributed to the development of the on–line conservation data base of the Archaeology Department.
- Designed (2006) and set up (2008-2010) a Mosaic Conservation Laboratory at the Archaeological Museum of Hama, where a series of seminars and laboratory demonstrations on the conservation, mounting and storage of detached mosaics took place until 2011.
- 1999-present **European Center for Byzantine and Post Byzantine Monuments-Greece (EKBMM)** - Organised and directed architectural (mosaic and masonry) conservation and training programs at **Deir Ain Abata** and the World Heritage Site of **Um Al Rasas in Jordan**.
